

Combination Stage Plot / Input Requirements – Michael Cook

Stage Plot

Standing at center stage.

Please provide a stool or similar hand-height stand for accessories (tuner, capo, etc.)

Input Requirements

1 vocal microphone (standing)

1 DI input for acoustic guitar (integral pre-amplifier)

1 or 2 additional microphones for guitar at the sound technician's discretion.

NOTE: a 48-volt phantom-powered XLR input CANNOT be used for the primary guitar input. (Damage may result, according to the pre-amp. manufacturer's handbook).
